2023 SEMI ANNUAL MEETING ~ Lead, Inspire + Innovate

RDC's Semi Annual Meeting brings together professionals from Member & Affiliate companies, stakeholder organizations and local, provincial and federal governments. The conference is an opportunity to collaborate and share operational and regulatory solutions and is a platform to learn best practices in the Canadian chemical & ingredient supply chain.

WHO SHOULD ATTEND?

- *A professional who assumes a role with responsibilities in health & safety, regulatory or operations in the chemical supply chain.*
- *A government official responsible for chemical industry policies, programs or regulations.*
- *A member of an association or sector with a special interest in the chemical or ingredient industry.*
- *An academic or researcher focused on chemical and distribution issues.*
- *A colleague looking for the opportunity to network and collaborate with peers from the industry.*
- *An executive who wishes to hear from industry experts and government officials on current issues and path forward.*
- *Sponsors seeking marketing opportunities and brand visibility.*
